Specialist training company expands Gloucester base

Bridge Training Solutions, a Gloucestershire based training company have nearly doubled their space since moving to Mill Place last spring.

They provide a wide range of nationally accredited and certificated courses in a non-College environment from training in Microsoft Word packages to Car Maintenance, Electrics, Metal Craft, Painting and Decorating, Plumbing, Wood Turning and Plastering. Bridge Training Solutions offers both bespoke and structured courses in many areas of Business and Finance at all levels. All Bridge Training Solutions courses can be tailored to suit individuals or a group and will train you at work, home or at one of their carefully selected fully equipped Training rooms.

The additional space will increase capacity for Motor Vehicle Mechanics training and will assist in creation of space for the addition of Hairdressing in the coming weeks. Bridge Training also has an excellent ICT suite delivering a range of courses including Podcasting, ECDL and computer System Building, the centre is also used as the Insurance Industry's test centre for the South West.

Bridge Training is a Member of the Guild of Master Craftsmen with Investors in People accreditation and is contracted to deliver training for the Learning and Skills Council and numerous schools from around Gloucestershire.

Mark Harrod managing director at Bridge Training said: "We are delighted to expand our premises at Mill Place. Since relocating here in spring last year we have received such demand for our courses that we decided to expand on site at Mill Place. The new premises will mean that we can offer extra places to our students which we are very pleased about." www.bridgetraining.co.uk.
