Dear Paul

The Parish Council and the users of the Kingsway Community Centre were really impressed by the way in which the roads and paths on the Kingsway Business Park were kept clear during the recent spell of snow and ice. The comments I received that there was no problem at all of access and egress and that the condition of the roads and paths was better than those in the rest of Quedgeley was most pleasing.

I would therefore be grateful if you could pass our thanks on to your contractor and in particular to the staff who carried out the actual work and to let them know how much their efforts were appreciated.

Yours sincerely

Peter Richardson
Parish Clerk
