### Adventure Travel Company invests in Stonehouse base

For those searching for an alternative to the standard beach holiday, a Stroud company at Bonds Mill in Stonehouse may just have the answer. **Authentic Adventures** have just signed a two year lease at Suite G, The Wheelhouse, Bond's Mill Estate.

Authentic Adventures are holiday specialists and offer a range of adventure holidays from walking holidays in India, painting in Morocco, photography in Tuscany and singing in Abruzzo.

Linda Kember, Office and Operations Manager at Authentic Adventures said: "We were really pleased with the office space that Bonds Mill could offer us. It also has excellent 'extras' such as additional meeting rooms for hire if we need them. As a small company these are all really good benefits for us which not many other parks offer."

Authentic Adventures are the first travel company at Bonds Mill and we are excited to add to the eclectic business community there! The Wheelhouse is a very striking period building with a lot of natural light. Their offices have been recently fitted out to provide modern office space, which is all open-plan.
